Nail Enhancements

For those who want beautiful nails but can't seem to grow them naturally, nail enhancements are ideal. Nail tips are applied and then an overlay, these should be infilled/rebalanced every 2-3 weeks as the natural nail grows underneath. Removal can be done safely and there will be no damage to the natural nail.

Spray Tanning

Sienna x

For the last few months and some weeks to come, Hit TV shows Strictly Come Dancing and Gladiators have been treated to the Sienna X-Factor as our spray tan was selected to perfect the look of the show's stars! Sienna added to the glamour of dancing celebrities including Rachel Stevens, Lisa Snowden, Jodie Kidd and Mark Foster and professional partners Ola Jordan, Lilia Kopylova, Ian Waite and James Jordan.

Before

A tan typically lasts between 7-10 days, how long it lasts is down to how you maintain it.

You will be given a full after-care sheet.

A full body exfoliation should be carried out by yourself 24 hours prior to tanning. Pay particular attention to elbows, knees, ankles and any problem areas.

Any hair removal should be done 24 hours prior to the tanning process.

Paint nails and toe nails - especially if they are acrylics or similar.

Do not moisturise or use skin lotions on the day of your tan.

Remove make-up, deodorant, lotions, etc, before your tan. finishing with perfect polish.
